2nd Non pupil day

3rd Non pupil day

6th Pupils return to school

7th Foundation start induction

Thank you FOYFs

We are very grateful to FOYFs for all the many hours they put into fund raising for the school. FOYFs have agreed to donate £5.00 per child towards the cost of their class summer trip this term. This means that the Eden Project trip for KS2 will now cost £6.00. If you need a refund because you have already paid the full amount then please see the office.

FOYFs are also donating £3000 towards our school grounds project. Please see the back of this newsletter for the landscape plan. This sum will be used to help fund the bird look out that will be placed beside the pond and wildlife area.

Curriculum Meeting

Next week the governor curriculum committee will meet to discuss the following policies:

- Behaviour
- Educational visits
- PSHE
- Drugs
- RE
- Art
- DT

Policies can be found on our school website at

www.yfps.com. If you would like to comment on any of these areas then please contact either Mrs Price or your governor representatives who are in the playground or can be e-mailed at:

governor@yealmpstonefarm.plymouth.sch.uk

Music Lessons

We are very grateful to Mr and Mrs Johns who have donated a small child size drum set to the school. If anyone is keen to start drum lessons then please contact the office. We also have spaces in guitar and strings for keen musicians!

30 Years celebration

Preparations are well under way for this celebration event. We will be holding a celebration disco event for the children on Wednesday June 16th and a Ceilidh band celebration event on Friday 18th June in the evening for all adults who have been or are connected to the school. Keep this date free!

Comenius Visit

We will be visiting Athens for our next Comenius project meeting. This visit will celebrate music and art.

Half marathon

This year Mrs Price and Mrs Simon will be running the half marathon to fund raise for Motor Neurone Disease. They are part of a team of sixty who are supporting Simon Adams, the head of the Manamead Pupil Referral Unit, who has been diagnosed himself. Please sponsor either of our representatives by sending donations in an envelope to the office. Simon is hoping to raise a million pounds before he dies.
